As a Reminder: The board of Directors met on May 14, 2010, and the issue of unpaid student bills was discussed at length. It was the unanimous opinion of the Board that candidates for the ministry must display a conscientious effort to settle their debts. It was decided that any student with an outstanding balance must begin immediately showing a regular effort to pay on that balance. If you owe an outstanding balance, an invoice has been included with this letter. It is critical that you begin sending payments on a regular basis to cover this debt. (Weekly, bi-weekly or monthly payments are necessary at this time—of course, payment in full is always welcome!) Payments may be made by credit/debit cards, check or money order—someone in the office would be more than happy to complete that transaction for you.
